Did you know The Mission at Kern County hands out an average of 130,000 hygiene and clothing items every year?

FINAL TIPS

Label who it is for: Make sure your kit is labeled whether it is for a man, women, boy or girl. For children's boxes you can include small toys, bracelets, school supplies, coloring books etc.

Add a Personal Note: include a short note or a card with words of encouragement. This small gesture can make a big difference.

Consider the Size and Weight: Be mindful that the kit should be light enough for someone to carry easily. Don't overpack it with bulky items.

Care kits can be dropped off at The Mission at Kern County
